EXPANDING THE
HEALTHCARE FRONTIERS

OUR COMMITMENT TO PATIENT CARE

THE ONLY INDIAN HOSPITAL TO FEATURE IN THE WORLD'S TOP 5 MEDICAL DESTINATIONS

Fortis Hospital, Bannerghatta Road is accredited by Joint Commission International (JCI) and National Accreditation Board for Hospitals & Healthcare Providers (NABH). The facility is not only the first hospital set-up in Karnataka to be accredited by Joint Commission International (JCI) – the Gold Standard in global healthcare standards, in 2008; but also the first one to be reaccredited in 2011, 2014 and in 2017 (Valid till 2020) .

Fortis Hospitals, Bannerghatta Road, is also the first & the only Indian hospital that has been awarded with the medical tourism certification by the Medical Travel Quality Alliance (MTQUA), for its commendable quality of care and services to medical tourists.

In 2018, the hospital has once again been ranked among the World's Top 10 Best Hospitals for Medical Tourism by MTQUA (Medical Travel Quality Alliance).

EEXPERIENCE THE HEALTHCARE NETWORK THAT INDIA TRUSTS

For over 20 years, we have been committed to getting people back to their lives faster and in the process, have become one of India's most respected healthcare entities. With 78 hospitals across the nation, and over 12000 beds, we touch, enrich and transform the lives of over 3,100 patients per day.

Bengaluru

EXPERIENCE THE DIFFERENCE OF FORTIS

Fortis Hospital, Bannerghatta Road in Bangalore City is a part of Fortis Healthcare, Asia's largest and fastest growing hospital network. We at Fortis endeavor to create a world-class integrated healthcare delivery system, entailing the finest medical skills combined with compassionate patient care.

With a capacity of 400 beds, this state-of-the-art facility is well-equipped with the ideal combination of people, process and technology that ensures the best available healthcare services to all those who are in need. Known for its strict adherence to safe and standard operating procedures the facility at Bannerghatta Road is not only the first hospital set-up in Karnataka to be accredited by Joint Commission International (JCI) – the Gold Standard in global healthcare standards, in 2008; but also the first one to be reaccredited in 2011, 2014 and in 2017 (Valid till 2020).

Backed by over 150 consultants and 800 other para-medical staff, the facility offers super-specialty tertiary care services for about 40 specialties such as Cardiology, Cardiac Surgery, Orthopedics, Neuro-Surgery, Urology and Oncology to name a few. We touch more than 12000 lives every month and bring back the joy of life to over 10000 people through different medical and surgical treatments every year. While we treat challenging cases every now and then, we have also pioneered in bringing first-of-its-kind technologies such as Custom Fit Knee, HIFU technology for Prostate Cancer, Bone Marrow Transplant and Robotic Surgeries and many more.

And at the heart of Fortis hospitals' approach lies the core value of patient centricity. Years of minute planning have made each feature of this facility easily accessible, so that a patient can get best clinical care at par with international standard.
